

ADA GRIEVANCE PROCEDURE FOR STATE-OPERATED FACILITIES

This Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 (ADA). It may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by a facility operated by the Department of Behavioral Health and Developmental Services (“DBHDS” or “department”). The Virginia Department of Human Resource Management’s [ADA Policy](#) governs employment-related complaints of disability discrimination.

Process:

- The Complaint should be in writing on the [ADA Complaint Form](#). Alternative means of filing grievances or complaints, such as personal interviews or tape recording of the complaint, will be made available for persons with disabilities upon request.
- The complaint should contain information about the alleged discrimination such as name, address, phone number of complainant, location, date, and description of the alleged discrimination.
- The complaint should be submitted by the complainant and/or their designee as soon as possible but no later than 60 calendar days after the alleged violation.
- Within 15 calendar days after receipt of the complaint, the ADA Representative or their designee may meet with the complainant either in person or by telephone, to discuss the complaint and the possible resolution, if the ADA Representative or designee determines such a meeting would be helpful to the determination.
- Within 15 calendar days after the meeting, or within 30 days after receipt of the complaint if there is not a meeting, the ADA Representative or designee will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, Braille or audio tape. The response will explain the facility’s position and offer options for substantive resolution of the complaint.

If the response by the ADA Representative or designee does not resolve the issue to the satisfaction of the grievant, the grievant and/or his/her designee may:

- Within 30 days of the date of the ADA Representative or designee response, appeal the decision to the DBHDS Facility Services ADA Coordinator. Any appeal should be in writing. Alternate means of filing an appeal, such as personal interviews or a tape recording of the appeal, may be available for persons with disabilities requiring use of such alternate means upon request.
- Within 15 calendar days after receipt of the appeal, the DBHDS Facility Services ADA Coordinator or designee may meet with the grievant, either in person or by telephone, to discuss the complaint and possible resolutions, if the DBHDS Facility Services ADA Coordinator or designee determines such a meeting would be helpful to the determination.
- Within 15 calendar days after the meeting, or within 30 calendar days after receipt of the appeal if there is no meeting, the DBHDS Facility Services ADA Coordinator or designee will respond in writing, and, where appropriate, in a format accessible to the grievant, such as large print, Braille or audio tape, with a final solution of the grievance or complaint.
