RE: Medication for Opioid Use Disorder (MOUD) Training Resources for Fast-Track Amendments
Effective December 1, 2025

This memo applies to ALL DBHDS Licensed Providers and Initial Applicants of MOUD Services (06-003)

This serves as a follow-up to the Fast-Track Amendments for Medication for Opioid Use Disorder (MOUD) memo that was posted on October 9, 2025. This is to remind DBHDS licensed providers and initial applicants that the fast-track amendments to licensing regulations for MOUD programs will become effective on December 1, 2025.

As a result, several regulations have been amended, and some regulations have been repealed. These updated regulations will take effect on December 1, 2025. The Office of Licensing has developed several resources (linked below) to inform and prepare licensed providers and initial applicants for these regulatory changes. The Office of Licensing strongly recommends that providers and initial applicants familiarize themselves with these changes.
